```

The diagram illustrates an inheritance relationship between two C++ classes. At the bottom is a gray-shaded box representing the base class, `tesseract_planning::FixStateCollisionTaskInfo`. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white box above it. The white box represents the derived class, `tesseract_planning::TaskInfo`. Both boxes have a black border and contain their respective class names in two lines.
