

tf::ObserverInterface

```
graph BT; TestObserver --> tf::ObserverInterface
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box with a thin gray border containing the text 'tf::ObserverInterface'. Below it is a gray rectangular box with a thick black border containing the text 'TestObserver'. A solid blue arrow points vertically from the top center of the 'TestObserver' box to the bottom center of the 'tf::ObserverInterface' box, indicating that 'TestObserver' inherits from 'tf::ObserverInterface'.

TestObserver
