The diagram illustrates the data structure of the `tesseract_planning::GraphTaskflowNode` class. It is represented by a grey rectangular box at the bottom. Two dashed purple arrows originate from the top of this box. The left arrow, labeled 'process', points to a white rectangular box containing the text `std::unique_ptr< TaskGenerator >`. The right arrow, labeled 'edges', points to another white rectangular box containing the text `std::vector< int >`.
