/trajopt_default_solver_profile.h"]; B["tesseract_motion_planners  
/src/trajopt/profile/trajopt  
_default_solver_profile.cpp"] --> C;
```

A diagram showing two source files at the bottom pointing to a header file at the top. The top box is shaded gray and contains the header file path. The bottom-left box is white and contains the path to the default problem generator. The bottom-right box is white and contains the path to the default solver profile. Blue arrows point from the bottom boxes to the top box.
