

tesseract\_command\_language  
/include/tesseract\_command  
\_language/constants.h

```
graph TD; A["tesseract_command_language  
/include/tesseract_command  
_language/constants.h"] --> B["tesseract_common/macros.h"]; A --> C["string"];
```

The diagram illustrates the dependencies of the header file `tesseract_command_language/include/tesseract_command_language/constants.h`. It is represented by a grey rectangular box at the top. Two blue arrows originate from the bottom of this box: one points to the left and down to a white box containing `tesseract_common/macros.h`, and the other points to the right and down to a white box containing `string`.

tesseract\_common/macros.h
